**Prior to class:** We will simplify the cutting process with the use of Thangles and strip piecing.

From each fat quarter cut 2 - 2  $\frac{1}{2}$ " strips to be use with the Thangle piecing. Cut 2 - 1  $\frac{1}{2}$ " strips to be used for the rectangle blocks for strip piecing.

Cut 4 - 2  $\frac{1}{2}$ " squares. Additionally, from the each fat quarter for the sashing cut 8 - 6  $\frac{1}{2}$ "x 2  $\frac{1}{2}$ " pieces and 7 - 2  $\frac{1}{2}$ "x2  $\frac{1}{2}$ ".

From the white solid fabric (or your color choice) cut 16 - 2  $\frac{1}{2}$ " strips which will be use in the Thangle and 8 - 1  $\frac{1}{2}$ " strips which will be used to strip piece the rectangle portion of the block with a fat quarter rectangle.

If you are not comfortable cutting the above prior to class have your fabrics pressed and I can go over these instructions to get you started.
