Jelly-Roll Rug 2 (You may choose either the oval or rectangle rug)

Fabric and Batting

One Jelly Roll or 40-42, 2½" x 42" strips of fabric

Pre-cut batting strips (Bosal); you need two rolls

Cut your strips BEFORE class if you are not using a jelly roll.*

Quality Thread

One Large spool of Thread; at least 1200 yards to blend or contrast with your fabrics.

Aurifil works perfectly. You may want to try Aurifil variegated; it looks great! We have a nice selection at QB, (Heavier thread can distort the results of your rug.)

Iron and pressing surface	Large rubber band
