

✦ Quilt Beginnings ✦
Getting to Know Your AccuQuilt Go!
Hands-On Class
Supply List

Instructor: Joyce Petrek

Dates: Tuesday, August 21st (10 am- 3 pm)

Pattern: *72 Free Block Ideas Pamphlet provided in class*

Project description:

Are you a new AccuQuilt owner and not quite sure where to begin? This is the class for you! You choose which blocks you would like to work on from the 72 Free Block Ideas. It's like sewing by number. You will be thrilled with your perfect points and finished blocks!

Fabric requirements:

Fabric is cut 1/2" larger than the die shape. Depending on your Block System, I suggest starting with a quarter yard of a variety of fabrics (a background and 3 to 4 contrasting fabrics). Use this time to try out different blocks, pick your favorites and go from there!

Supplies:

1. AccuQuilt System of your choice
2. Mix & Match Quilt Block Qube (6, 8 9 or 12-inch finished block size)
3. Sewing machine and accessories
4. Neutral thread for piecing
5. Rotary cutter, mat and ruler
