Description

You'll join fellow BERNINA enthusiasts to experience various BERNINA feet, have fun, make friends, and CREATE! You'll develop your own sample notebook as you build your collection of BERNINA feet!

BERNINA full-shank presser feet are steeped in Swiss tradition and stand for precision and stability. The feet are easy to change and BERNINA has a suitable presser foot for every application. With the right precision presser feet, it is easy to bring your projects to fulfillment. You may choose from over 100 BERNINA presser feet!

The *BERNINA FOOT FRENZY CLUB* is your opportunity to try different presser feet and accessories for different applications to see how you can achieve the best results on your sewing and quilting projects and designs. There's a foot or accessory for smocking, shirring, making piping, working with multiple layers of heavy fabric, inserting zippers, or easy sewing of scalloped hems on lightweight fabrics.
