

✦ Quilt Beginnings ✦
Computer Basics 102
August 13, 1 p.m. - 3 p.m.

Supply List

Instructor: Libby Van Treese

Dates: Monday, August 13, 1 p.m. - 3 p.m.

Project description: Builds on Computer 101 with review of naming conventions, organization of embroidery designs, and transfer from purchased design to computer and then to USB stick for sewing machine. How to download a design from the internet and properly store it so that you can relocate it. How to create an external back-up of all of your designs for safekeeping.

Supplies:

New embroidery design on CD or USB drive.

Two empty USB drives, one for transfer to sewing machine (should be 1 GB or less and one for back-up. (can use external hard drive or large USB stick for back-up)

Class requirements:

1. Laptop with external mouse
2. Dongle if embroidery software on machine.
3. New embroidery design on USB drive or CD
4. CD drive. If your CD drive is external be sure to bring it.
5. USB drive--To use as transfer drive to take design to machine. Brand of sewing/embroidery machine that you use and format of designs that you use.

Class format: Class will be in a lecture demo format.
