Embroidery Boot Camp for Beginners

Supply List

Instructor: Ali Galbraith

Dates: Friday, March 30 5p-9p & Saturday, March 31 10a-5p

Pattern: All supplies, designs and book provided with \$40 kit fee

Program description:

Join Ali and learn the basics of embroidery, covering topics from stabilizers and needles to transferring designs to your machine. You will complete 4 projects and become more confident and creative with embroidery.

Fabric requirements:

- Fabric and stabilizer are all provided as well as use of threads

Supplies:

So that you can start stitching right away, you'll want to pack a few supplies in your own sewing toolbox:

- Embroidery machine, embroidery arm, embroidery foot and power cord
- Projects are designed for 5x7 hoops. Bernina owners will need the large oval.
- Water soluble pen
- Small, sharp-tip scissors for cutting away applique
- USB stick compatible with your machine
- New embroidery needles
- Seam ripper
- 3 empty bobbins
- One t-shirt (either a child or adult size)
