Project description: Let's make Miss Tuffet! This beautiful 18" Tuffet will add beauty and interest to any décor. It will certainly be a conversation piece! This class is designed to give you the experience of foundation piecing and constructing an upholstered piece of furniture. It's adorable and allows you to use your imagination for embellishment and energize your creativity. Bet you'll want to make more than one!

Be Prepared.**

Let the Q-bees help you gather your fabrics and supplies.
