BERNINA STUDIO PLAY-DATE Clutter Catcher Pincushion "Love Bernina!"

When: Wednesday, April 28; 1 to 4 p.m.

Teacher and Maker: Libby Daugherty

Description: Let's have a fun play-date with a machine embroidery and sewing project. A bonus!! is using the Bernina overlocker—yay!

Pattern and Fabrics

Kits with the embroidery design file, fabric, stabilizer, and printed instructions are included in your class fee. I'll provide my flash-drives for each of you with the project design file from OESD, which is part of your kit purchase and a couple other fun, free designs of mine.

You may save these designs on your machine during class. Bring your flash drive if you would like to save the designs on a stick. I'll collect my personal flash-drives at the end of class.

Tools and Notions

Bernina Machine, Embroidery Module, Sewing Table, Bobbins, Feet, Hoop, Pedal, and Power cord	
40-weight embroidery thread Red (#1902), Black, White (My favorite is Isacord)	Hoop (Oval that came with your machine or my favorite, the Midi)

Safety Protocol

Quilt Beginnings has safe classroom practices as we do for the shopping area of the store. We made safe space of at least 6-feet between students in the classroom with a table for each of you. Proper-fitting face masks are always worn at Quilt Beginnings *covering our noses and mouth*. If you choose to wear a plastic face shield, a face mask must be worn with the shield. Bandanas are not considered proper fit.

You are welcome to step outside or visit your car for a snack. If weather permits, we'll set chairs outside the Event Center. We will follow the store shopping protocol. If you want to shop or need something for class, you will exit the Event Center door and walk up the sidewalk to the front door and enter the shop.

We Q-Bees appreciate you very much for making it possible to keep our doors open and provide a happy and safe place for creativity, friendship, and community. And, I am happy to report that I'm fully vaccinated.

Class Preparation

Be Prepared

Please gather your thread, needles, and other supplies before class day.

Check out [Quilt Beginnings Knowledge Center](#) for Bernina training videos

You may watch a quick review of the sewing and embroidery training modules before class to boost your confidence.

The doors are unlocked 10 minutes before class. Please park your car at the end of the lot by the Event Center; enter in the far back door. I can hardly wait to see y'all!
