

# Quilt Beginnings

## Computer Basics 101

### Supply List

**Instructor:** Libby Van Treese

**Dates:** Tuesdays, 10am-noon, Jan 28 & Feb 18

**Pattern:** Class includes Embroidery Design CD

**Project description:** Computer Chaos? Digital Dilemmas?

Learn:

- How to organize Embroidery Designs by creating folders for designs and then moving existing designs into folders.
- Naming conventions so that you can search for designs.
- How to import a new design in your sewing machine's format and prepare for transfer to embroidery machine.

**Supplies:**

USB Stick (1 GB or less) for transferring design to sewing machine

**Class requirements:**

1. Laptop with **EXTERNAL** mouse
2. CD drive. If your CD drive is external be sure to bring it.
3. USB drive--To use as transfer drive to take design to machine. This USB drive should be 1GB or less. Brand of sewing/embroidery machine that you use and format of designs that you use.

**Class format:** Class will be in a lecture demo format.
