Required Pattern: *Custom Quilting with your Embroidery Machine* by Amelie Scott Designs

Project description: This 20" x 41" monochromatic table runner is pieced then quilted in the hoop using the quilting provided in the book. The book includes several quilt patterns that have custom quilting provided or create your own quilt and use the quilting included. Once you create the table runner you will want to create one of the quilts!

Fabric requirements: Fabric selection is easy; choose your main color, choose a light color in that color hue for the background, then choose five additional fabrics in the same color hue. Add a border.

- 3/8 yard fabric for setting triangles and plain center blocks
- Five (1/8) yard cuts in the same hue
- 1/2 yard border fabric (small prints in the same hue work best)

Cut all fabric! The morning is dedicated to sewing. If you precut your fabric you will have time to piece the table runner in the morning; then you will have plenty of time to quilt the table runner in the afternoon.

Cutting instructions:

- Setting triangles
 - Cut 1 strip 4.5" by width of fabric. Sub-cut into (5) 4.5" squares
 - Cut 1 strip 7" by width of fabric. Sub-cut into (4) 7" squares
 - Sub-cut each of the (4) 7" squares into four triangles as shown below - yields 16 triangles

- Border fabric
 - Cut (3) strips 4 $\frac{1}{2}$ " by width of fabric; cut one strip in half on short edge; this will give you two long borders and two short borders
 - Cut one strip 2.5" by width of fabric; sub-cut into (5) 2.5" x 5.5" rectangles; these will be used in the four patch with the other fabrics in next step
- 1/8 yard cuts

 - Sub-cut each strip into (5) 2.5" x 5.5" rectangles
