Supply List

Instructor: Pam Churches

Required CD: "Annika's Throw Pillows" by Kimberbell

NOTE: You must have an embroidery machine with minimum hoop size 6" x 10" in order to complete the 16" square pillow featured in video. The 14" pillow requires a minimum 5x7 hoop while the 24" pillow requires a minimum 8x12 hoop.

Project description: Learn how to create chenille using your embroidery machine. There are three different pillows, each in three sizes - 14", 16" and 24" square pillows. The video features the 16" chenille circles pillow with the circles all one color. Also included on the video are instructions for creating a professional covered zippered pillow back.

Fabric requirements listed are for the 16" chenille circles pillow with one color fabric used for the circles; other fabric requirements can be found on the required CD

- 1 yard fabric for circles - this includes a base layer and three layers of chenille for each circle. There are a total of 24 circles.

- $\frac{3}{4}$ yard velveteen or 2 packages of Kimberbell Velveteen

- 1 fat quarter fabric for pillow back

- 1/8 yard fabric that covers zipper and zipper tabs - this can be the same fabric as pillow back or a contrasting fabric

- 1 yard SF 101 fusible stabilizer

- 14" zipper

- 18" square pillow

- Stabilizer enough for six hoopings (minimum hoop size for this pillow is 6"x10") - sample uses Floriani stitch and wash stabilizer

- Embroidery thread to match velveteen

- Embroidery thread to match fabric for circles

- General purpose sewing thread for constructing back of pillow

- (6) 6 x 8 1/2" pieces of batting or battilizer

General sewing supplies that are needed:

Chenille cutter featured in video
Seam ripper to remove basting stitches
Embroidery tape optional
Prewound bobbins

Cutting instructions for the 16" chenille circles pillow:

From the circles fabric, cut (6) 6" by width of fabric strips

Subcut each strip into (4) 6"x8 ½" pieces

Yield (24) 6x8 ½" pieces

(for each circle you will need one base piece and three pieces

for the chenille)

From velveteen cut (6) 7"x9" pieces

(6) 6 x 8 ½" pieces of batting

For the pillow back:

Interface the fat quarter with SF 101

Interface the 1/8 yard fabric with SF 101

Follow video instructions to complete pillow back
