Supply List

**Instructor:** Libby Van Treese

**Dates:** 1pm-4pm, Tuesday, May 25, 2021

**Project description:** Fun with Key Rings. We will be using the Project in the Hoop Wizard to make a variety of key fobs to use for attaching to your USB sticks, keys, etc. Personalize the key fobs with names and/or specific designs of your choice.

**Supply Requirements**

- Laptop with software loaded AND ACTIVATED
- USB stick to transfer design to machine
- Internet connection to join the Zoom class
- Vinyl, Faux leather or Felt to stitch out design
- Embroidery thread for top and bobbin—stitching will show
- Key ring to attach to fob
- Tear Away Stabilizer
