

✦ Quilt Beginnings ✦

Project Embroidery

Supply List

Instructor: Pam Churches via video

Dates: Videos and fabric kits released the first Monday of each month October, November, and December; September's video and all subsequent videos will be released via email with a link to the video. Kits will be available for pickup in the store when the videos are released.

When you sign up for Project Embroidery, you will receive a USB stick with your September kit which includes the entire year of Kimberbell Volume 4 (12 projects plus a bonus project). The directions as well as all file formats and all available sizes for that project will be included. In addition, you will receive four fabric kits, one per month for September through December for the four projects illustrated below. The four projects will include a link to a video with Pam demonstrating the construction of the project including any tips and tricks. Due to COVID-19 restrictions, class sizes are limited to 12 "in person" students; this approach allows us to facilitate all interested as well as allowing you to work at your own pace in your own sewing studio. We appreciate your support!

Kimberbell Volume 4, 2020
