Project Embroidery
Lecture Only ↔ Jan-April 2020
Supply List

Instructor: Pam Churches

Dates: 1-2 p.m., Tuesdays, January 14th, February 11th, March 10th, and April 14th

Project description:

Love embroidery and want to grow your skills without bringing your machine to class? Join us the second Tuesday of each month as a small "in the hoop" project is demonstrated. You will receive that month's project design and a fabric kit to complete each month's project. Bring show and tell, meet other like-minded people and get inspired!

Supplies:

USB with your name on it (we will download your design during the demo)

Notebook
