

✦ Quilt Beginnings ✦ Start Sewing

Supply List

Instructor: Caity Coffin

Date: 12:00pm - 4:00pm, Friday, October 2

Pattern: The Essential Tote Bag (provided)

Project description: This cute, functional tote bag will look adorable in any fabric you choose. Bring your fabric to class and we will walk through the entire project, from cutting to assembling the whole bag. I would recommend avoiding stripes, plaids, or directional prints as these can be a challenge to line up the right direction. Stop in before class and we'll be happy to help pick out the perfect fabric!

This project is designed for brand new beginners, and all supplies other than fabric and thread are optional. Please let us know ahead of time what supplies you will need (including sewing machine), and we'll be sure to have enough for everyone.

Due to COVID-19, masks are required in the classroom and eating is not permitted. Every student will have their own table in our event center in order to maintain social distance. Thanks in advance for your understanding!

Fabric requirements - works best in quilter's cotton or canvas from our collection:

1. Main exterior: 1/2 yard
2. Bottom exterior: 1/4 yard
3. Lining: 1/2 yard
4. Straps: 1/3 yard
5. Coordinating 50 weight cotton or poly thread

Supplies:

1. Sewing machine, cord and foot pedal
2. Rotary cutter, mat, and ruler
3. Straight pins
4. Fabric marker or chalk pencil
