

✦ Quilt Beginnings ✦  
**T-Shirt Quilt Fundamentals**  
Supply List

**Instructor:** Lisa Merkle

**Dates:** Wednesday, October 7, 1:00 - 4:00 p.m.

**Project description:** This session will be about preparing your T-shirts for setting them in your quilt. Cutting and assembling the other pieced blocks will be discussed as well. Finished quilt size will be at your discretion.

**Book/Pattern:** *CITY BLOCKS* quilt pattern by Kari Nichols - (REQUIRED)  
*This is very helpful for discerning fabric requirements and use as a starting point.*

*OPTIONAL (but helpful)*

*\* Creative Grids 11 1/2" square ruler*

**Fabric requirements**

- 5 yards of SF101 purchased BEFORE CLASS DAY if at all possible.
- Bring your UNCUT, pre-washed T-shirts to class. In the pattern above, your T-shirts will SUBSTITUTE for the City Blocks -- 11 1/2"
- For a twin sized quilt, you will need approximately 12-15 T-shirts
- Bring extra shirts with large and small motifs. We will go over how you can incorporate those large and small designs in your pieced blocks.
- You may study the fabric requirements on the back of the City Blocks pattern. I find this helpful when deciding what size to make your quilt and choosing enough fabric.

**Sewing supplies:**

1. Rotary cutter, ruler and mat
2. Frixion pen or marking chalk/pen
3. Small iron, and pressing pad
4. Pins, pin cushion, etc.
5. Sewing machine and accessories (OPTIONAL for this class)
6. Neutral thread, scissors to clip threads (OPTIONAL for this class)

**Prior to class:**

purchase SF101, **\*\*wear a mask\*\***
