

 **Quilt Beginnings** 
AccuQuilt Go! Club - Quarter One
Supply List

Instructor: Joyce Petrek

Dates: Fridays, January 18th, February 15th, March 22nd

Pattern: Provided each month prior to the month of construction

Project description: We are excited to be entering our 4th year of AccuQuilt Club! AccuQuilt has come up with their own monthly program complete with supply lists and patterns. Each month we will be learning new techniques and sewing shapes that may be new to you! Each project has a small, medium and large option—so there's no need to feel overwhelmed or underwhelmed! This is a great opportunity to make sure you get the most use out of your cutting machines!

We will begin in January with a club kick off, explaining how the club works and introducing you to the projects we will be making. You will go home with the next months pattern, fabric and die requirements.

For those who participated in the 2018 AccuQuilt Heritage Square Club, we will have time to assemble blocks and setting triangles following the January 18th kick off.

Fabric requirements:

Provided in class with each month's pattern

Supplies:

- AccuQuilt Cutter of your choice (don't forget the power cord if bringing the Go! Big)
- Appropriate dies as specified in the pattern each month—don't forget your mats!
 - February's dies are: Go! Qube Mix & Match 8" Block, Go! Qube 8" Companion Set Angles and optional 2 ½" and 4 ½" strip cutters
- Sewing machine and accessories
- Neutral thread for piecing
- Rotary cutter, mat and ruler

No need to bring any supplies to the January Kick Off unless you are staying for the Heritage Square finishing class.

***This is a year-long club paid quarterly**

****We love show and tell—bring what you've been working on and inspire us all!**
