Bargello Quilt

Class Supply List

Instructor: Pam Churches

Dates: 1 - 5 p.m., Tuesday, February 12th and March 12th

Project description: Create a bargello quilt using a strip piecing method. Finished size depends on pattern chosen.

Book: *Twist-and-Turn Bargello Quilt* by Eileen Wright (required)

Please note: Fabric requirements below are for the SUPERNOVA quilt (page 36). If you wish to make a different quilt from the book, see specific fabric requirements for quilt chosen.

Fabric requirements:

- 7/8 yard EACH of 20 bargello fabrics ranging in color from light to dark
- 7/8 yard binding fabric (dark color finishes the quilt nicely)
- 9 $\frac{1}{4}$ yards backing fabric 105" x 107" batting

Sewing supplies:

1. Rotary cutter, 6" x 24" ruler, and large cutting mat
2. Sewing machine with $\frac{1}{4}$ " foot and accessories (i.e. seam ripper)
3. Neutral thread, scissors to clip threads, and pins
4. Optional - small stickers to mark rows and directions of fabric

Prior to class: Precut your bargello strips according to directions for the quilt you chose. It is helpful to hang the strips over a coat hanger or place in plastic storage bags. Save a small strip of each fabric and bring to class so you can create a fabric map. This quilt is not hard; it merely takes organization.
