### Supply List

**Instructor:** Ali Galbraith

**Dates:** Tuesday, April, 23<sup>rd</sup> 1-5pm

**Project description:** In this class, Ali will show you how to take your free motion to a professional level using rulers from Quilting Colors. Come and join us for a fun, hands on experience to explore new techniques to enhance your quilting.

**Book:** Free Motion Idea Book by Amanda Murphy or Ruler Work Idea Book by Amanda Murphy

#### **Fabric requirements**

- 10 12" x 12" quilt sandwiches (feel free to use scrap fabrics and batting!)

#### **Sewing supplies:**

1. Bring the sewing machine that you use the most for quilting
2. An extension table for your sewing machine (if your machine did not come with an extension table, we have sew steady tables available for purchase at the store)
3. A size 90 quilting needle
4. 50 weight thread (make sure to get a color you'll be able to see on your quilt sandwiches)
5. Frixion pen or a chalk pen
6. A ruler foot that fits your machine (it is very important to have this before class)
7. The six set of rulers from Quilting Colors (If you do not already have them, I will have sets that you can borrow in class)

**Prior to class:** Prepare your quilt sandwiches and gather up your supplies. Make sure to arrive a little early so you have time to set up your sewing machine. Also, make sure to have a ruler foot for your machine. It's very important to get a foot before the class so you can make sure that you have the correct foot for your machine.
