**Project Embroidery Hands On**  
**First Quarter 2019**  
Supply List

**Instructor:** Pam Churches

**Dates:** 10 a.m. - 5 p.m., Tuesday, March 19th

**Project description:**

This full day class is designed to help anyone who wants help with any of the first quarter's projects. Whether you want to work on one project or get help with many, bring your machine and spend the day with others creating or finishing a project demonstrated this quarter.

**Supplies:**

Bring your embroidery machine and any accessories listed on the instruction sheets from the past three month's lectures. Remember to bring your stabilizer, thread, hoops, cords, scissors, etc. for the project you plan to work on. If you need pre-cut forms for your project, make sure you have purchased those in advance as they may not be in stock on class day.

If you have any questions, please feel free to stop in the shop prior to class for assistance.

Since this an all-day class, feel free to bring lunch or a snack to share.
