*Binding and backing will not be needed for class as we will likely not assemble the entire quilt in the allotted time.

Sewing supplies:

1. Rotary cutter, small ruler and small cutting mat
2. Sewing machine and accessories (if you have a 1/4" foot, bring that)
3. Neutral thread, small scissors to clip threads
4. Pins, pin cushion of your choice, small ruler (I like a 12-1/2 x 2-1/2" ruler) and other notions you like to have with you when you sew.

Prior to class:

Please have your pattern and fabrics chosen before class so all classmates can start at the same time. **If you need to borrow a machine, please let QB know so we can have one reserved for you.**

NOTE: Please bring your own lunch and/or snacks and a drink since this class runs through lunch time.
