

 **Quilt Beginnings** 
Mom and Me Super Sized 9 Patch
Supply List

Instructor: Cheri Taylor

Date: Saturday, September 22, 2018, 12 -4 P.M. at Sawmill

Project description: a fun, fast, and easy version of a traditional quilting favorite, the 9 patch block. The quilt measures 40 X 54" but can be made larger with an additional border.

Pattern/Book: Provided in class.

Fabric requirements:

1 1/8 yard of a focus fabric for the center block

1/4 yard of a coordinating fabric for the cornerstones

1 1/8 yard of another coordinating fabric for the border

1 3/4 yards fabric for the back

A batting to fit - you can also use flannel or fleece for the back and no batting

Note: If you plan to add an additional border, purchase 1 1/2 yards for that border and 3 yards for the back. This will be explained in class but not demonstrated and will add extra time to the construction of your quilt.

Important Note: If you are using a directional print anywhere in the quilt, please add 1/3 yard extra for matching.

Sewing supplies:

Rotary cutter, ruler and mat

Sewing machine and accessories

Safety pins (a MUST for layering!) and straight pins for stitching

Sewing supplies including a seam ripper and scissors

Thread for piecing and for quilting

A snack to share - optional

Prior to class: If possible, familiarize the child with the machine you are bringing (if you are using yours) and talk about how much fun will be having. Washing and pressing the fabric is your choice.
