

Monogram Lecture Demo

Instructor: Beth Dague

Dates: Saturday, December 1,

Time: 1 pm - 3 pm

Class description: Lecture/Demo

Monograms are really big for this season! Just look on Pinterest for tons of examples. Put your embroidery machine to work to be a star in the monogram world.

Ideas will be shared for making the most mundane item fun for gift giving or to enjoy yourself.

We will first look at the history of monograms; then share ideas for how to stitch on already assembled items.

We will discuss the various tools that help the process and some techniques that I have used successfully.

Funs fonts are available on many websites. We will take a look at some that can be downloaded for a few dollars that will give your projects a new look.
